Learning to value ourselves and our world

PARKING PROMISE

Would you like to proudly display one of our parking promise stickers on your car windscreen? You can earn one of two winning designs for free! Read on

We are launching a parking promise to try to remind all parents who drop their children off and pick them up in the afternoon to do so safely.

Parents, who park too close to entrances, act irresponsibly, placing children in danger.

If it is impossible for you to walk then remember

- **Dropping off is dangerous – park up and walk.**

By signing this parking promise you will help to make Harlands a safer place.

Please help us by completing the tear off slip below. By returning your signed undertaking to keep parked cars away from the area outside the school you are protecting the lives of all of the children who attend.

Thank you.

The Travel Plan Working Party

**Please return this slip to school.
It will be returned to you with a windscreen sticker.**

I will protect the safety of children at my school by being a thoughtful driver.

I will try to use my car as little as possible for school journeys.

I will not park on the 'School Keep Clear' zig zags.

I will not park on the pavement, this is obstruction.

I will not park on double yellow lines at any time.

I will not double park.
