

HARLANDS

HOW TRIP YEAR 6

I Year 6 go the Isle of Wight on Monday. The coaches will be leaving Harlands at 07.45 next Monday morning, so children will need to arrive at around 07.15. We look forward to seeing many of you bright and early next Monday!

AEROBICS CLUB

Aerobics club has been running this term for children in Years 4, 5 & 6. It is a fun way for children to keep fit and to come up with some of their own aerobic exercises! Unfortunately the number of children attending has been dropping drastically over the last few weeks. If numbers do not pick up again then we will have to stop this after school club. Please contact Miss Robson or Miss Chard if your child is interested in joining Aerobics. Thank you.

RECYCLING QUESTIONNAIRE

R On Thursday June 26 the Eco Committee and School Council members will be going to a Citizenship Meeting at the Town Hall to raise awareness of waste and how to reduce it. As part of their presentation to the Town Councillors the children would like some information about how families at Harlands recycle and their attitudes toward waste. Along with this newsletter is a questionnaire which we would be very grateful if you could fill out and return to the School Office by Friday 20 June.

SUN INFORMATION LEAFLET

The teachers will be handing out a sun information leaflet to their class. We do not think that it is necessary to have a sun protection week, therefore we will not be asking the children to fill in the 'passport to the sun'. We will be discussing this information with the children and please continue to reinforce this at home.

Letters have gone out this week for the following trips.
